Safety Information

1. Secure this product properly before moving it with a forklift.
2. Do not alter this product in any manner. For example, do not weld external lock bars or attach electrical equipment.
3. When locking this chest, close the drawers firmly completely in order for the lock bars to work properly.

CAUTION: Do not attach or mount this product to a vehicle. This may cause personal injury or product damage. Mounting this product to any vehicle in any manner will void warranty.

CAUTION: Do not stand on this product. You may fall which may cause personal injury.

CAUTION: Be careful when opening more than one drawer. The product may become unstable and tip, which may cause personal injury or product damage.

CAUTION: Keep the product on level surfaces. The product may become unstable and tip if stored or moved on an unlevel surface, which may cause personal injury or product damage.

CAUTION: Lock the drawers before moving this product. The drawers could come open and make the product unstable and tip, which may cause personal or product damage.

CAUTION: Be careful when closing the cover. Remove hands before the cover closes completely to prevent personal injury.

Warranty

This product is guaranteed to be free of defects in materials and workmanship for 2 years from the date of purchase. If this product is defective, call 1-866-441-5080 for repair or replacement parts or disposition. Guarantee does not include normal wear and tear.

Specifications

Maximum weight per (chest drawer)	50 lbs.
Maximum product weight, including contents	250 lbs.

NOTE: Begin product assembly close to the final intended location of your cabinet. This product is heavy and may be difficult to move after assembly.

NOTE: The keys are taped to the top of the plastic bag.

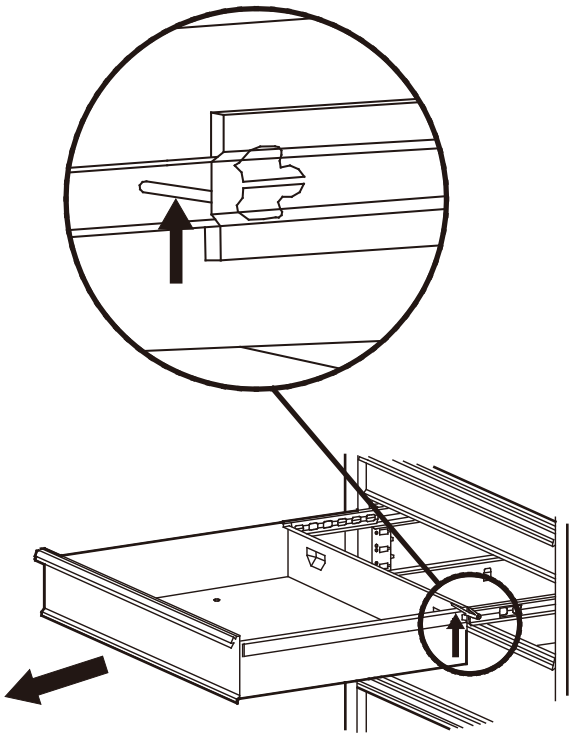
Operation

1 To unlock chest

- □ Turn key.
- □ Lifting cover unlocks drawers.

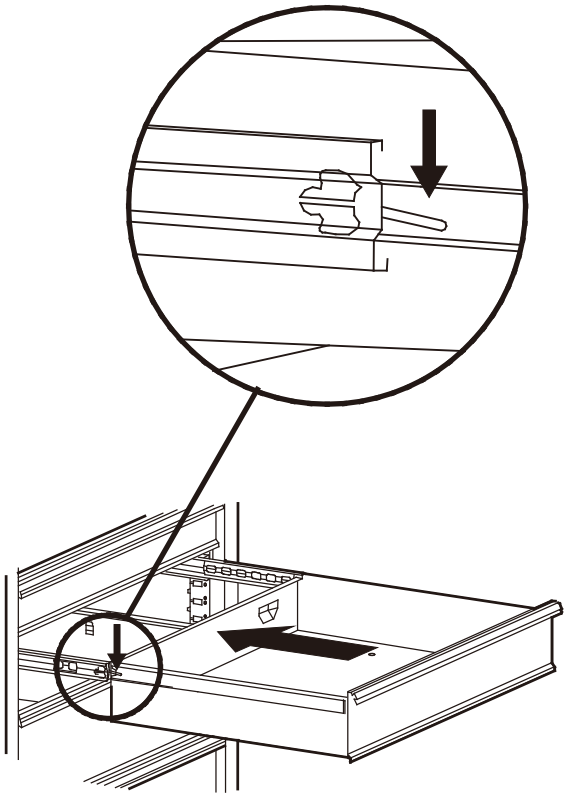
2 Removing the drawers

- □ Fully extend the empty drawer.
- □ Push up the one black release lever while pulling down on the other black release lever.
- □ Pull the drawer outward until it is released from the drawer slide.



3 Re-inserting the drawers

- □ **Extend the drawer slides.**
- □ **Insert the brackets on each side of the drawer into the slots in the slides, being careful that they are properly positioned.**
- □ **Once properly inserted, completely close the drawer to set the slides in their proper positions.**



Care and Cleaning

- □ **Lubricate the drawer slides semi-annually.**
- □ **Periodically clean the drawer fronts, drawer trim, and other surfaces with a mild detergent and water.**
- □ **Auto wax preserves the storage unit's luster finish and protects against scratches. Apply the wax as you would on a car.**
- □ **Remove grease and oil with a standard nonflammable cleaning fluid.**
